Terre Haute, IN 47807

Michelle and Members of the City Council:

It has been my pleasure to know and work with Curtis Lyle for over 25 years. I first met Curtis through family connections that were co workers of his at Hercules and have been fortunate enough to work with him on nearly a daily basis during his time as a Coroners Assistant and now as Deputy Coroner. I have also had a professional relationship with his removal service as it relates to the funeral industry as well as a close relationship with he and his wife and their business, Cowan and Cook Florist.

I know Curtis to be an incredibly honest, kind and passionate man who treats everyone he meets with genuine compassion. Curtis is a devoted husband, father and grandfather and is a pillar of his church and community.

I recommend Curtis for this position without regard ,and would welcome any questions you might have concerning this matter.

Sincerely,
